

## What is Self Storage?

Self storage is the storage by individuals and companies of goods in their own self-contained, secure room.

You can rent your own lockable secure room of practically any size for as short or long a period as you require. You are the only person to hold the key and you can come and go as often as you like during the facility's opening hours.

## Why Would I Need Self Storage?

### Personal

For the personal storer, whether you're moving house and need somewhere to store your entire possessions, or simply just need to free up space at your property, we can accommodate your every need.

#### Moving Home?

If you have sold your property and need temporary storage, then we have the ideal storage solution for you.

#### De-clutter to Add Value?

You can also de-clutter your home by storing your excess items before putting your property on the market to add more value.

#### Renovating or Re-decorating Your Home?

You may not want your expensive Chesterfield to look like a Plasterer's radio, so why not store your furniture with us?

#### Short of Space at Home?

Free up space in your attic, spare room or garage by renting one of our units to provide you with that little bit of extra room you have always craved in your life.

### Business

We offer everything from storage and workspace to offices and industrial units. So if you're in need of quality, secure and all inclusive business space to store in or work from, we can definitely help you.

We offer space from 10sqft up to 10,000sqft (and everything in between).

#### Workspace

We offer not only storage but also the ability to work out of one of our storage rooms too with the addition of power and lighting. Our workspace is particularly popular with those selling online who need a hybrid office / storage room. We also provide FREE wifi.

#### Office Space

Our office space is ideal for any company (micro or large) needing quality office space on a flexible short or long term basis. Offices can be split or merged to suit your exact basis requirements.

#### Counter Offices

If you require an office with your own individual entrance and identity for your customers, we can offer this option throughout a lot of our stores too.

#### Virtual Address

Would you like a professional address for your business without paying office rentals and business rates? By renting a virtual business address you can keep your overheads to a minimum whilst still maintaining a professional business address.

#### Free Van Hire

If you are looking to keep removal costs to a minimum, we can provide you with FREE van hire through a local professional company. Please ask a member of our team for details.\*
