Comprising of two reception rooms, a large kitchen/dining area and four enviable double bedrooms, this detached home measures 2449SQFT/227SQM and offers spacious living accommodation throughout. Upon entering the ground floor you are greeted by a generous entrance hall which in turn provides access to the sitting room, the family room, kitchen/dining area, utility area, WC and double garage. The sitting room is well proportioned throughout with two large windows to the front aspect and a wood burning stove built within a large inglenook fireplace. The second reception room is currently used as a family room with French style doors providing rear access to the garden patio. The hub of the house is the 'L' shaped kitchen dining area which was recently replaced by the current owner and includes a large, vaulted ceiling in the dining area with exposed beams, floor to ceiling picture window and a large set of doors which open into the garden.

A large family bathroom completes the first floor and benefits from a free-standing bath, a large double enclosed shower, low level WC and a sink. The first floor also has a box room which is a miscellaneous space but could potentially be converted to an en suite or walk in wardrobe to bedroom two.

Externally, the property has a block paved driveway leading up to the double garage with parking to the front parking for numerous vehicles. A front lawn area and a range of mature trees to the front border sets the property back and provides privacy from the road to the front.
