Located just off the High Street, James Wadsworth Close provides easy access to village amenities, exceptional schooling and open green space. In a little more detail, the ground floor accommodation comprises entrance hall with understairs cupboard, cloakroom WC, bay fronted living room and exceptional open plan kitchen/dining room with sky lights and French doors leading to the garden. The kitchen is fitted with a range of cabinetry, integral Smeg and Bosch appliances and a breakfast bar with an oak worktop. Upstairs, the first floor offers four double bedrooms, two of which have pleasant views over the open green space beyond, and a family bathroom fitted with three-piece white suite. The master suite occupies the entire second floor, benefitting from a dressing area with walk-in cupboard, built in wardrobes and eaves storage and an ensuite shower room.

Outside lies a small front garden, which is mainly laid to lawn with a mature tree and some low-lying shrubs. There is gated access on both sides of the house and driveway parking for two cars in front of the garage as well as additional visitor parking opposite the property. The garage has been divided in two sections, with the rear section being fully insulated and power and light connected. At the rear, there is a well-stocked southerly facing garden with patio area well suited to alfresco dining.
