CONNECTED: COMMUNITY

"With the fountain and community space proving to be wildly popular with residents, we are delighted the ambitious Town Hall transformation is creating a brand new neighbourhood in the centre of our fantastic borough, with a truly unique civic centre that operates as a 365 day a year cultural venue."

Cllr Simon Miller, Member for Economic Growth and Housing Development

Finding happy days: Feel Good Centre indoor soft-play for rainy days; a magnificent fountain to splash around in when the sun shines; a children's wildlife activity group to stimulate child curiosity and involvement in nature.

Greener by design: This Car free development has 815 secure cycle spaces. Local pedestrianised zones between 10am and 10pm around Walthamstow also provides an enhanced feeling of living in a 'mini-Holland'.

Intimate private gardens, green lawns to larger playing fields, running tracks and outdoor spaces provide an abundance of green areas to exercise, meet new people, and relax, watching nature.

Open and welcoming, people and wildlife can freely move through the site, absorbing the positive impacts of the landscape. The public realm supports biodiversity through it's planting of wildflowers, and over 200 new trees.

Renewable energy: According to the Home Builders Federation, owners of new build apartments save on average £435 per annum - equivalent to a takeaway coffee every working day for the year!

The civic centre is a dynamic place for people - where resident, workers and visitors alike enjoy a place that is active, inclusive and welcoming. The Ground floor hosts a café and new flexible work spaces for the public to use, within the incredible setting of Grade II listed architecture.

BUYING WITH SHARED OWNERSHIP

Shared Ownership lets you buy a percentage of your new home while you pay rent on the remainder.

This means that you only have to find a small deposit and a smaller mortgage compared to what you would have to pay if you were buying outright.

As time goes by, you can 'staircase' – increase your shares in the property – until the home is all yours.

Terms and conditions apply and subject to eligibility. Other monthly costs will be applicable.

HOW THE ALLOCATION PROCESS WORKS

Please note that all customers will be required to complete an eligibility application form and financial assessment. Properties will be allocated via a selection allocation process to those with the highest priority.

SHARED OWNERSHIP ACCESS

All residents have access to the podium. For our residents this will be via the street using access fobs. There is no concierge and SO residents cannot use the concierge in the neighbouring block. All residents in this block have access via stair well and lift.
