The rooms and layout are well-proportioned throughout and still provide versatility for use. The intended finish will be to a high standard, in keeping with the established neighbouring cottages.

Brief History

Seaton Hall has a fascinating past, and was named after the de Seton dynasty who resided there from 1130 to 1307, and whose family made allegiances with, and marriages to, the Scottish Royal Family. It was passed down through generations, before slipping into disrepair. The present owner purchased the estate in 2002. He employed a team of specialist masons and craftsmen and has lovingly restored this truly unique place of local heritage. It is located in private grounds on the edge of Staithes on the breathtakingly beautiful North Yorkshire Coast, surrounded by the North Yorkshire Moors.
