£500,000

A three bedroom detached period property located in a sought after road in Feltham just moments from the high street and station.

The accommodation consists of entrance hall, two reception rooms and kitchen on the ground floor. The first floor offers three double bedrooms and family bathroom. There is a good size private rear garden with new paving, lawn and two storage sheds.

The property benefits from a new boiler and central heating system, however it is in need of some modernising internally. Externally the current owners have made some recent improvements including new roof, triple glazed windows and doors, paving and front wall. There is potential to extend to the rear and into the loft giving the opportunity to make this a large family home.
