# WELCOME Home

We are delighted to bring to the market this fantastic two bedroom end of terrace property located within walking distance of The Greywell Shopping Centre and The Front Lawn Community Hub. Modern and clean throughout, this property would be perfect for a first time buyer or as an investment.

This property is currently vacant - viewing is an absolute must!

The lead to this property is a short access driveway from the cul-de-sac Owlesbury Grove to the side of the house and access to the 20ft garage, making this end of terrace property tucked away and private, with plenty of off-road parking available.

On entering the home, you are met with a tidy hallway space that leads onto a large living area decorated in clean and modern greys and whites. With a large bay window to allow plenty of natural sunlight, this living room has the benefit of a feature wall with open fireplace to add a beautiful focal point to this room.

Following back through the hallway into the kitchen, not only is it a good size, it also has plenty of storage, a built in hob and single oven, and more impressively, space for a washing machine and a dishwasher allowing you to have a fully functional kitchen space.

The first floor continues the modern and clean style with white walls and grey carpets, featuring two large sized double bedrooms, the master also housing a fireplace as a focal point.

The bathroom comprises of a bath with overhead shower basin and toilet and continues the theme of clean lines throughout. This property truly is move in ready.

The back garden accessed via the hallway on to a good sized garden, with a small patio and largely laid to lawn. It is in a need of a little pick me up but would not take much to transform it into a simple and tidy garden. It is the perfect size for a couple or young family to transform into usable space for the summer.
