Description

Situated within one of Taunton's most sought after locations handy for Kings College, Richard Huish College, and Bishop Foxes school, is this handsome, fully renovated, semi-detached Victorian home together with a separate two bedroom detached cottage, central annex and generous size gardens.

The property, which was fully modernised in 2012, offers spacious and elegant family accommodation arranged over three floors including many wonderful period features typical of the property's age including high ceilings, sash windows to the front and original ceiling cornices.

Within the grounds, there is a two bedroom detached cottage that is benefitted from a single storey extension and comprises of entrance hall, generous size sitting room with wood burning stove, a modern fitted kitchen with dining room/family room off. To the first floor are two bedrooms and a family bathroom. The cottage is fully double glazed and gas centrally heated. We understand it was re-roofed in April 2022.

The main house offers spacious accommodation is centered around a large reception hall with elegant staircase rising to the first floor. There are three ground floor reception rooms including a sitting room to the rear with wood burning stove and bi-fold doors into the garden. A generous size games room is found to the front of the property with a bay sash window as well as a separate study. The kitchen/breakfast room is a particular feature of this wonderful home and is split into two distinct areas; the kitchen fitted with a range of matching wall and base units, granite work surfaces, double Belfast sink, space for range oven and space for an American fridge/freezer. This room offers a triple aspect as well as four velux roof windows, making it a delightful light and airy space. To the first floor are three large bedrooms (bedroom one with dressing room/family room and en-suite off). The en-suite is fitted with a stylish range of his and hers wash hand basins, wc, bath and walk-in separate shower.

Bedroom Two also benefits from en-suite facilities and the third bedroom is set next to a completely refitted family bathroom. There are two further generous size double bedrooms and a further shower room. The main house is heated via an economical gas fired central heating system, partially double glazed with the benefit of a centralised Sonos speaker system with speakers in most rooms and centralised vacuum system. There is also a useful cellar – ideal for storage. During the refurbishment program in 2012, the main house was completely re-roofed, re-rendered, re-wired and re-plumbed. Externally, the property is set in mature gardens that are fully enclosed and give a good degree of privacy. The main garden is laid to lawn with a variety of trees, shrubs and planted borders as well as an ornamental pond. Towards the rear of the garden there is a generous size greenhouse and polytunnel as well as raised beds within sleeper borders. There is also a two floor former stable with electric roller door, power and lighting – an ideal storage space for the garden machinery. The front is approached via a large driveway with off-road parking for several family vehicles.
