Durden and Hunt welcome to the market this expansive seven bedroom luxury detached property within a particularly sought after area of the desirable Emerson Park.

The impressive entrance hallway of this over 7,000 sqft home leads to an abundance of thoughtfully arranged living spaces and showcases a statement walnut and glass staircase.

The bespoke, modern kitchen was designed in conjunction with Fusion Residential's Interior Designer and benefits from a number of high specification Miele appliances such as a pyrolytic oven, induction hob, standard oven, large dishwasher, built in coffee machine, integrated fridge and freezer, combination microwave, extractor hood and a wine cooler. Additionally a Quooker boiling water tap and a pop up power point are featured. The island breakfast bar leaves ample space for a dining table and the room benefits from both overlooking the pool area and offering direct access to the garden.

Notably the spa style swimming pool area is accessed via the kitchen and opens onto the garden. This bright and spacious area features a heated pool, jacuzzi, sauna and bathroom, complete with WC and shower.

Multiple reception rooms are currently used as a family room, separate dining room, study and a drawing room, that leads to the garden through bi fold doors. The family room also overlooks the pool and features a custom marble bar and a wall unit complete with beer pump equipment and a fridge.

An opulent ground floor cloakroom, storage and a boot room utility area, which leads to the garage, complete this floor.

On the first floor the grand, master suite features ample fitted wardrobes, a large dressing area, which opens onto the good sized private balcony, and a luxuriously spacious en suite complete with bathtub, TV, WC and walk in shower.

Two additional bedrooms on this floor feature built in wardrobe areas and en

suites whilst another features fitted wardrobes and an en suite. An additional first floor bedroom is complemented by a luxury family bathroom and hallway storage.

The second floor offers two further large bedrooms, currently used as home offices, and an opulent family bathroom. Additionally a utility and laundry room can be found, whilst a spacious landing area, with fully glazed rear wall, overlooks the garden and is currently used as a gym.

The ample selection of rooms across the floors offer the option to customise and use as you desire and require, from guest suites to home office, cinema room, games room, playroom or gym. Each element of the home has been considered to present the ultimate in luxury including underfloor gas fired heating to mood lighting, music systems and alarm and security.

Located on a sizeable plot, externally the front of the beautifully presented property boasts secure gated parking for multiple cars, on a spacious carriage driveway, a double garage, automatic irrigation system and side access to the rear. The wrought iron gates are electrically operated with video entry phone, part of the Creston home management system.

The impressive home is further optimised by a mature rear garden with multiple zones created offering the ultimate in outside space ideal for summer days and socialising. From the spacious Indian sandstone terrace to the lawn area each element complements the next.

For those that love to entertain there is a thoughtfully designed outdoor kitchen, with complementary lounge and dining areas, under the garden's pergola, which benefits from an electric roof and full blinds to the open sides. This spectacular outdoor kitchen benefits from an integrated barbecue, gas hob, breakfast bar, with sink, fridge and granite tops. The lounge area offers a flat screen tv and heaters, creating an outdoor cinema experience.

Further, the putting green works alongside the children's play area, offering activities for children of all ages, whilst the exceptional space further benefits

from external lighting, speakers and an irrigation system.

Ideally located for local shops, schools, amenities and green spaces it has excellent transport links including the A12, A127, M25 and Emerson Park station's Overground and Gidea Park station's Elizabeth Line, with direct access to Liverpool Street.
