Tucked away at the end of a peaceful cul-de-sac lies this detached family home, which has been well looked after by the current owner and is now ready for a new family to take over. The accommodation spans around 1,313 sq ft, whilst outside there is ample off road parking on the driveway to the front, which has been extended to fit 4 + vehicles, whilst to the rear there is a private garden which benefits from being not overlooked, which is a rarity for most modern homes. Internal inspection is by appointment via Smart Move, so enquire now and book your individual tour of this fantastic property.

The internal layout of the property in brief includes: entrance hallway with stairs to the first floor, lounge, dining room, conservatory, modern fitted kitchen with separate utility room off, ground floor WC, the rear part of the garage has been converted to provide an additional internal store / utility room, while the front of the garage is still accessed via the up-and-over garage door for additional storage or parking of a motorcycle. To the first floor is a central landing which has a built in storage cupboard and loft access point, bedroom one has fitted wardrobes and a three piece en suite shower room, three further bedrooms and the three piece family bathroom completes the accommodation.

Outside the property there is off road parking to the front on the driveway, as well as access to the attached garage. NB: The garage has been part converted, meaning that it is not large enough now to accommodate a car, but could fit a motorcycle, simply be used for additional storage, or to be converted fully to create an additional living space (STPP.) Access around to the rear is through gated access down the side of the property, which leads to the main garden at the rear. The rear garden faces a westerly direction and includes a paved patio area, mature lawn, planted shrubs and an enclosed fenced perimeter.
