For those buyers seeking something a bit special, a real one-off property that a simple drive-by can in no way do justice to, then look no further. Don't let first appearances fool you, as the façade may be that of a traditional detached bungalow, but the interior is far from "traditional" and has been comprehensively enhanced and extended by the current owner to create a contemporary home that will appeal to a range of buyers needs.

The accommodation spans over £2,100 sq ft (excluding the detached workshop to the rear,) and in brief includes: entrance vestibule which leads to the central hallway with stairs to the first floor and the open landing overlooking, lounge with feature log burner, ground floor WC, stylise modern kitchen with large central island unit and a brew / prep room off, open plan family room with roof lantern and large sliders opening the room out to the rear garden, utility / laundry room, integral garage, bedroom one with dressing room and en suite shower room off and bedroom two completes the ground floor of the property.

To the first floor you shall find a central galleried landing which looks over the hallway below, bedrooms two and three and the four piece family bathroom completes the accommodation.

The property sits centrally within the plot and as such, boasts equally generous mature garden areas to both the front and rear. The front garden consists of a lawned garden with established hedges and trees bordering. Off road parking is also available to the front of the property, both on the gravelled driveway, as well as within the integral single garage. The main garden is situated to the rear and includes a gravelled patio and pathway, established lawn with trees dotted around the perimeter and a fenced boundary. Within the rear garden is a useful detached workshop, which has light and power and offers fantastic storage, as well as scope for conversion to a garden room / WFH space (STPP.)
