Smart Move are thrilled to offer to the market the opportunity to reserve a NEW BUILD commercial unit, which is currently under construction, but available to reserve now. The building is located on a thriving new business park in Tarleton village, which is a busy village set almost half way between the towns of Preston, Ormskirk and Southport, making it easily accessible and a location which any business would be lucky to occupy.

This is an initial announcement as work is newly underway in building the premises, however units are available to reserve now. Site viewings are by appointment only as this is an active building site, so enquire further via Smart Move. This listing is for 1 unit within this new building which totals around 1,150 sq ft, however there is potential to rent double or even triple units, making it a substantial building which will suit several possible businesses needs.

NB: There is a service charge of £60 pcm for maintenance of communal areas which includes: bins, buildings insurance, external CCTV and gardening. The solar panels on the roof are retained by the freeholder and a current charge of £0.35 kwh will be charged along with the service charge. All units are metered individually. The rent is £14,000 p/a for each unit, so the rent for a double unit will be £28,000 p/a and a triple unit £42,000 p/a. All rental prices are NO VAT.
