Anchorage Avenue is home to only a handful of properties and is a road which even people that live locally will likely have never been down, making it a real hidden gem. "Woodholme" is the last property at the end of this private road, meaning that you will get no passing traffic and be able to enjoy the peaceful surrounding countryside uninterrupted. During their time here, the current owners have done lots of work to the property, making viewing in person highly recommended. Viewing is by appointment only via Smart Move, so contact our local office to enquire further or to arrange your individual tour of this one-off property.

This spacious home spans over 2,000 sq ft and in brief includes: entrance hallway, spacious main lounge with feature fireplace, amazing open plan kitchen diner with recently fitted utility / laundry room off, garden room with patio doors opening to the rear garden, bedroom one has fitted wardrobes as well as a recently fitted three piece en suite shower room off, three further bedrooms and the recently fitted four piece family bathroom completes the accommodation.

The property enjoys a generous plot of around 0.4 acres and as such it boasts ample off road parking to the front on the sweeping gravelled driveway, in addition to the attached single garage. Also to the front there is a established lawned garden and mature borders of numerous trees and hedges. The main garden is located to the rear and includes a paved patio area and expansive lawned garden, which is bordered by established trees and shrubs. To the left-hand side of the property is a paved patio area and to the right-hand side is a lawned garden area, creating easy access all around the property.
