Occupying a corner plot location on the small development, this spacious detached family home is available to reserve now and estimated for completion early 2026. As the property is currently under construction, those reserving soon may benefit from being able to choose some the fixtures and fittings, such as kitchen, tiles and flooring, making early viewing highly recommended.

The internal layout of the property shall span approximately 1,850 sq ft and in brief shall consist of a central entrance hall with staircase leading to the first floor, lounge with window looking to the front of the property, separate open plan kitchen family room, utility room, ground floor WC, integral garage, first floor landing with loft access point, bedroom one with en suite shower room off, three further bedrooms and the four piece family bathroom completes the accommodation.

The property occupies a corner plot and shall have a lawned front garden with double width resin driveway and electric door leading to the integral garage, for ample off road parking. The main garden is situated to the rear and will boast a generous Indian stone patio, lawned garden and enclosed timber fenced perimeter with gated access to the side.

NB: As the property is currently under construction, the room measurements on the floor plan are proposed and may vary upon completion of the build. Photographs are from other properties by the builder and are to be used as EXAMPLES of the standard of finish. Site viewings are strictly by appointment only, as this is a active building site. Only buyers reserving early off plan shall be able to choose the kitchen / bathroom and other fixtures and fittings, as the builder will choose these if it is not already sold by this stage of the build, so early viewing is strongly advised.
