### WHY WOODFORD?

Woodford is an area coveted in history and has been built off of the foundations of the local people. This is shown first hand within the local Sports clubs. Woodford Golf Club is based just off the High Road and was established in 1890. Similar to the very successful Woodford Rugby Club which again is based on the High Road and was founded in 1924. Finally, Woodford Wells Cricket Club was founded in 1865 and is located on the prestigious Monkams Estate. It has recently been renovated to offer further sporting facilities and active lifestyle opportunities for all ages. Woodford prides itself on well-established local businesses from restaurants, cafes and coffee shops to hair salons and barbershops. In terms of schools there are a choice of both private and very highly regarded state schools. Woodford Green lives up to its name having Epping Forest on its doorstep with numerous access points scattered across IG8 and yet is still very accessible with numerous bus routes.
