The Appeal of Our Home - The Owners Insight

We've absolutely loved living in this home—its generous space and natural flow have made it both functional and welcoming. The views stretching out towards the moors are a constant reminder of the beauty of Yorkshire, and the private garden has been our peaceful escape. Despite its size, the house has always felt like a warm sanctuary—offering the perfect balance of comfort and room to grow. It's been an amazing family home and the ideal place to settle into Yorkshire life.

Outside

To the front of the property is the gravel driveway with electric timber gates, a driveway leads down the side for vehicular access and leads to the spectacular rear garden. This has a tremendous patio area and further seating areas, arbours and raised beds, beyond which is the large lawned garden. This is perfect for growing families to create football/rugby pitches but equally could be used as grazing for a small pony. (Agents note - there is a rear pedestrian access gate leading to the village cricket ground. This is only used when necessary to retrieve cricket balls. There is a small payment of £5.979 per annum for the drainage on the land).
