Rohan Cottage

Rohan Cottage offers a fantastic opportunity to create an individual four bedroom home in the centre of the sought after village of Aldborough with far reaching views to the rear. Having been in the same ownership for over 30 years, the property would now benefit from a program of updating works to realise its full potential but offers tremendous scope to reconfigure the existing home. With central heating and double glazing the property comprises:

Entrance hall, breakfast kitchen, lounge/dining room, four double bedrooms, three with built in storage and the house bathroom. The property has scope to create ensuite facilities to bedroom 2, utilising the storage space and to create additional reception space in the garage along with cloakroom/w.c. subject to planning and building regulations.

Outside

The property has a small garden area to the front and driveway leading through archway to the integral garage. As mentioned previously the garage could be converted to create additional living accommodation and has power and light and water supply. The rear garden is a particular feature of the home and this is currently low maintenance with paving and artificial grass. The height of the fence to the rear ensures that the delightful views can be enjoyed from both ground and first floor level.

The Appeal of our Home - The Owners Insight

Rohan Cottage is a very comfortable family home . Mum and Dad were very happy here for over 35 years. There are fantastic views to the Hambleton Hills, wonderful neighbours and a very private garden.
