A better
place to be

WELCOME TO
Globe Point

Work life balance

Globe Point is an inspiring office building and forms the gateway to the Temple neighbourhood. With multiple connections at street level, it provides easy access to the nearby city centre and railway station.

The welcoming reception offers high quality finishes across a café kitchen and plenty of collaborative breakout space for working.

- Building manager & dedicated team
- Café kitchen
- Breakout space & working lounge
- Events and presentation space available on the ground floor

Meet me in Temple

Only 5 minutes walking distance from Leeds train station, Temple has a mixture of quiet, reflective landscaped areas, busy squares and stylish new buildings, providing an inspiring and safe environment for workers, visitors and residents alike. Here is the place to be.

Meet the neighbours

The same innovative spirit. A new breed of pioneers.

The area is already well established as a business district with over 300 creative businesses, including a number of household names with operations in the immediate neighbourhood.

Temple is an inclusive community for entrepreneurs, innovators and businesses of all sizes.

The Detail

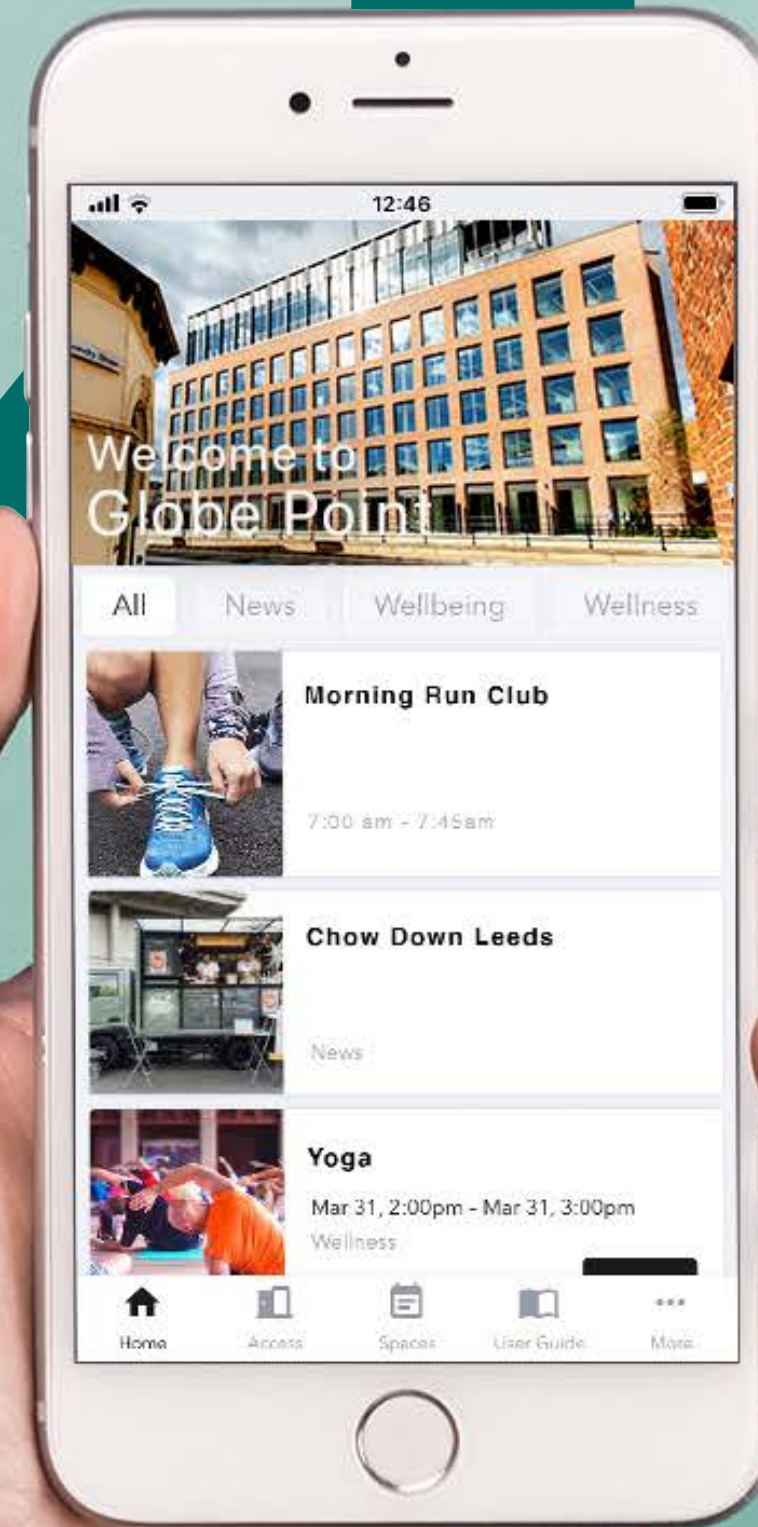

Unlocking your building

To ensure exemplary levels of building service for all our occupiers and their visitors, we've created a programme of events and services called Temple Life.

- Communal business lounge and breakout space
- Front of House Manager
- Customer events
- Site-wide car share scheme
- On-site car club
- Valet service
- Dry cleaning
- Priority car share spaces
- Electric vehicle charging
- Pop up retail
- On-site exercise classes

Life

Sustainability

Low carbon building.

Globe Point looks to people as well as technology to help create the next generation of truly sustainable office buildings. Changing people's behaviour, as well as achieving market accreditations, is the path to a more sustainable future.

BREEAM[®]
EXCELLENT

BREEAM Excellent

EPC A

WELL Ready

All electric using 100% green energy

Active Score Platinum

NABERS

TRANSPORT

- 5 min walk to Leeds station
- Cycle storage with showers
- Car Club
- EV charging for cars & bikes

WATER CONSUMPTION

- The building utilises water efficient fittings
- Water consumption is reduced by 39%
- The annual water saving equates to ½ an Olympic swimming pool

HEALTH & WELLBEING

- Carbon dioxide sensors help us to monitor the air quality and adjust the air flow as required, to maximize air quality while optimising energy efficiency

WASTE MANAGEMENT

- 100% operational waste diverted from landfill

MANAGEMENT

- BREEAM Excellent
- Life Team on site
- Post occupancy evaluation
- Continuous customer engagement

ENERGY & CARBON

- 20% of energy from low carbon technologies
- No fossil fuels on site
- 27% lower energy consumption than an average building

MATERIALS

- Smart selection to reduce environmental impact
- Responsible sourcing
- All timber sourced from sustainably managed forests

Smart ready & tech enabled

Smart Enabled, Digital Ready and Secure

For future smart applications, and ready to work and interact with Tenant installations.

Energy metering & Management

Real time energy data and enhanced controls allow you to focus on energy efficiency and sustainability.

Building App

Seamless interaction for intuitive user experience, enriching building services and life events.

Lighting Enabled Digital Services

Intelligent LED lighting enhances comfort and reduces energy usage.

Indoor Air Quality

Zoned heating and intelligent sensors support performance, wellbeing and energy usage.

Visitor Management System

Streamlining the check-in process for visitors.
