The Property

As you step inside the convenient entrance hall, pause for a moment to take off your boots and hang up your winter jacket. Now, let's start this property tour from the heart of the home – the fabulous lounge/ diner.

Here, natural light pours in through windows to the front and side aspects, bouncing off the crisp, white painted walls. Above, characterful beamed ceilings add a touch of charm and tell tales of bygone eras. The focal point of the room? That would be the granite inglenook fireplace with wood burning stove, providing a sense of warmth that beckons cosy moments.

Moving on, the kitchen boasts a versatile array of wood-effect cabinets, offering ample storage, while the generous expanse of countertops is perfect for preparing family meals. The bathroom has been remodelled by our vendors with a modern white suite and stylish design finishes – the quality of finish and attention to detail are of a great credit to them.

Heading upstairs, on the first floor are two good size bedrooms, each with touches of character in the form of exposed beams and deep windowsills.

Finally, there is a boarded loft area with Velux window to the rear, just waiting to be explored.

The Garage and Parking

To the side of the property, you will find a detached timber garage with double wooden doors opening onto driveway parking for one vehicle.

The Outbuilding

To the rear of the property, is a small block-built store with UPVC double glazed windows to the front and rear. The utility of this building is enhanced by light and power.

The Garden

Head through the gate and a gravel pathway leads you to the delightful gardens. Here, a pleasing array of mature plants and shrubs are interspersed between various inviting seating areas.
