Property Description

The Property

As you journey along the charming and historic Polkirt Hill, you'll enjoy catching tantalising glimpses of Mevagissey Harbour, before shortly arriving at our fabulous listing. In estate agency, we often say that first impressions are everything, and luckily for this property, it sure makes a good first impression. It emanates an irresistible aura of character and charm, featuring beautifully pointed stone elevations adorned with expertly crafted granite lintels and quoins. The character is further accentuated by the presence of traditional box-sash windows and ornate mouldings.

Step inside, take off your shoes, and hang up your jacket in the welcoming entrance vestibule. Then, open the elegant double doors to reveal the stunning entrance hall. This space boasts exquisite period details, including intricate cornicing, decorative corbels, and finely crafted door frames. From the hall, doors lead to the sitting room, dining room, and kitchen, while a graceful staircase ascends to the first floor.

The sitting and dining rooms are beautifully presented, seamlessly blending heritage and modernity. It's clear this home was renovated with the high-end luxury holiday let market in mind, yet these spacious reception rooms are equally perfect for a large family home. Relaxing here feels like stepping into the pages of your favourite interior design magazine.

The kitchen, overlooking the rear courtyard, stands out as one of my favourite rooms. It boasts finishes sure to impress even the most discerning buyers. From the exquisite cabinetry adorned with copper

handles to the complementary worktops, every detail has been meticulously considered.

On the first floor, you'll find three charming bedrooms and a beautifully renovated shower room. This shower room is very well-appointed, offering a luxurious, spa-like ambiance. The top floor is dedicated to the primary suite, featuring a spacious bedroom with stunning harbour views. A lovely window seat provides a perfect spot to watch the boats come and go. The suite also includes built-in storage and leads to a luxurious en-suite bathroom, complete with high-end, gorgeous finishes.
