***** NO ONWARD CHAIN ***** Hunters Estate Agents are delighted to present Beacon Cottage, a magnificent double-fronted, character cottage nestled in the sought after village of Sancreed. Beyond its charming granite and stone frontage, you'll discover light and spacious three-bedroom accommodation, generous gardens to the front and rear, ample parking for multiple vehicles, and a convenient garage workshop. We highly recommend booking an appointment to view at your earliest convenience, to avoid missing out.

The Property

For those yearning for a home with character and heart, this property might just be your dream come true. As you approach the property through the lovely village of Sancreed, electronic picket gates open onto the driveway. Here you will find space for several vehicles, or perhaps a motorhome or boat. Turning your attention to the cottage itself, it emanates an irresistible aura of character and heritage, featuring stone elevations adorned with expertly crafted granite lintels and quoins. The character is further accentuated by the presence of pretty, traditional box-sash windows.

Step inside and there is plenty of space to put away your shoes and hang up your jacket, in the convenient entrance porch. Head on through, and you find yourself in the wonderfully spacious lounge diner. Here, natural light pours in through the two windows, and bounces off the neutrally painted walls. Above, characterful beamed ceilings add a touch of charm and tell tales of bygone eras. The focal point of the room? That would be the granite inglenook fireplace with wood burning stove, providing a sense of warmth that beckons cosy moments.

Moving on, a hallway connects to the kitchen. The kitchen boasts a versatile array of wall and base units, offering ample storage, while the generous expanse of countertops is perfect for preparing family meals. On the other side of the hallway, is one of our favourite rooms in the house – the stylish, contemporary shower room. This room has recently been completely remodelled by our sellers, and the quality of finish and attention to detail are of a great credit to them. With the fabulous finishes and large walk-in shower cubicle with matt black rainfall shower, it very much has a spa liked vibe.

Upstairs, you will find three generously sized bedrooms and

a well-appointed family bathroom. The primary bedroom is particularly spacious, featuring expertly designed built-in storage by Sharps—ideal for those who appreciate a neat and tidy home.

The Gardens

This property is situated on a generous plot, making it stand out from other listings. It features driveway parking for multiple vehicles at the front, along with a garden area primarily laid to lawn. There is a sizable garage/ workshop, offering great utility. The rear garden is also substantial, mainly laid to lawn, and offers breath-taking views over open countryside stretching for miles.

Further Potential

There is approved planning permission for the erection of a single storey rear kitchen extension and conversion of an attached garage into a studio office. Planning Reference - PA22/09871.
