Looking for a place the feels like home the moment you step inside? With its peaceful rural hamlet location and warm, welcoming feel, this detached home could be just the one. It's nestled within beautifully established gardens, filled with carefully nurtured subtropical plants, a true oasis of calm and nature. Internally, the three-bedroom, three-reception accommodation is wonderfully spacious and highly versatile and could possibly lend itself well to multigenerational living with an annexe area. The property benefits from a garage and generous in and out driveway, providing ample parking for multiple vehicles. Viewing highly recommended.

### The Property

As you arrive, twin gates open to reveal a sweeping in-and-out driveway, offering ample parking and framed by lush, vibrant planting that evokes a Mediterranean charm. A welcoming path then guides you to the front door.

Step inside to a generous hallway, where you'll find the staircase leading down to the ground floor, along with doors to two bedrooms, a bathroom, and the main reception room. Both bedrooms are spacious, dual-aspect doubles filled with natural light, while the bathroom is equally generous in size. A standout feature of the home is undoubtedly the sitting room — an exceptionally large, triple-aspect space with natural light pouring in. Its flexible layout offers endless possibilities for furnishing, and a striking picture window frames idyllic views over the beautiful gardens.

Downstairs, you'll find a welcoming kitchen-diner, complete with charming wooden cabinetry that offers ample storage and generous worktop space — perfect for everyday living and entertaining. A separate utility room adds extra practicality. There's also a ground floor bedroom and a shower room, along with a spacious reception room that

can be accessed either through the bedroom or via its own private external entrance — ideal for guests, hobbies, or even a home office setup. And yes, there's a conservatory too — a lovely spot to relax and enjoy the garden views.

### The Garden

The gardens here are a true oasis, lovingly nurtured over the years to create a peaceful, private retreat. A section of mature woodland leads down to a picturesque stream, while a sheltered patio area offers the perfect spot for outdoor dining or quiet reflection. There's also a neatly lawned area to enjoy, all surrounded by nature and tucked away from the world — secluded, tranquil, and utterly blissful.

### The Location

Seworgan is a charming rural hamlet set amidst the gently rolling countryside of west Cornwall. Tucked away within the parish of Constantine, it offers a peaceful, countryside lifestyle while still being conveniently positioned between two of the area's most notable towns. Within ten miles lies Falmouth, a vibrant coastal destination known for its historic harbour, beaches, independent shops, and lively cultural scene. To the west, Helston provides a more traditional market town

atmosphere, with a good range of local amenities, schools, and easy access to the Lizard Peninsula. The location strikes a perfect balance—secluded and tranquil, yet well connected to the coast and surrounding communities.
