Together, we make your home

When it comes to designing a new development, we apply the same philosophy every time – make it unique, make it personal. That’s because we understand your new home is more than simply bricks and mortar. It’s a private place of sanctuary where we hope you’ll laugh, entertain and escape for many years to come.

Who we are

A little bit about us

You're about to make one of the most exciting investments of your life! A beautiful place to call home for years to come. Here are some reasons to invest in a Persimmon home...

50-year pedigree

We've been building homes and communities since the early seventies, and just as fashions have moved on, so too has construction. Over half a century we've perfected processes, fine-tuned materials and honed skills to make us one of today's most modern and progressive home builders.

Sustainability mission

We're committed to reducing our impact on the planet and building for a better tomorrow, with a dedicated in-house team focused on this. [Read more on page 30](#)

“Target 50 forms part of our 50th Anniversary celebrations”

Women in construction

‘Target 50’ is a Persimmon initiative based on our ambition to recruit 50 female apprentices or technical trainees into construction-related roles across the UK through 2022.

Giving back

We do everything we can to give back to our communities and have proudly contributed towards community hubs, children’s play areas, schools and sports facilities.

Our ‘Community Champions’ and ‘Building Futures’ programmes help to raise funds for projects and charities across Great Britain. If you’d like to get involved visit persimmonhomes.com/community-champions to see if you could apply to support your local community.

Real Living Wage

We’re proud to be accredited to the Real Living Wage. We value our employees and want to pay them fairly for the good work they do.

Happy hour?

We run Customer Construction Clinics from our on-site sales offices each Monday from 5-6pm. Pop in to see the team both during and after you’ve moved in to your new home.

10-year warranty

When you buy a Persimmon home it comes complete with a ‘peace of mind’ 10-year insurance-backed warranty and our own two-year Persimmon warranty.

Help when you need it

You’ll have a dedicated customer care helpline, plus cover for emergencies like complete loss of electricity, gas, water or drainage.

Finishing Touches
 We know you’ll want to make your home your own, so we created ‘Finishing Touches’, our home personalisation service.

Chatteris • Cambridgeshire

Abbot Walk

Our new development enjoys a semi-rural location on the edge of Chatteris, a charming and well-equipped market town set between Cambridge and Peterborough. With a range of two, three, four and five-bedroom homes, there's something for everyone.

The friendly market town of Chatteris is situated in the scenic Fens, between the larger towns of Huntingdon, March and Ely. Lined with attractive brick buildings, the centre is home to a good range of amenities including independently-owned shops; cafés, pubs, restaurants and takeaways, and several convenience stores. Less than a mile from the development there is a Tesco Superstore and an Aldi for the weekly shop, or you could visit Chatteris market which takes place every Friday and sells local produce.

All the practicalities of everyday life are provided too, with a number of local schools and healthcare facilities including a pharmacy, dental practice, GP and two

nearby hospitals. You'll also find a library and community hub, museum, leisure centre and community cinema – all providing ways to meet people. The semi-rural location means you'll never be far from rolling countryside and outdoor attractions. When you fancy a busier setting, the cities of Peterborough and Cambridge with numerous shops and attractions are less than an hour's drive.

Education for all

Families with children of all ages will benefit from the range of schools in the area. There are several nurseries and primary schools in Chatteris, including Glebelands Primary School and Thomas Eaton Primary School. The secondary schools consist of Cromwell Community College and Abbey College Ramsey – all within easy driving distance of the development.

Energy efficiency built in

Sustainability

Our homes are typically 30% more efficient than traditional UK housing, helping you to save money and reduce your impact on the environment.

We're proud that we already build our homes to high levels of energy efficiency, but there's still a way to go. Our in-house sustainability team is dedicated to our mission to have net zero carbon homes in use by 2030, and for our own operations to be net zero carbon by 2040.

To achieve this, we're working to science-based carbon reduction targets in line with the Paris Agreement's 1.5°C warming pledge, investing in low-carbon solutions and technology that will further reduce the carbon footprints of our homes and out impact on the planet.

Energy efficiency built in:

- ✓ **EPC rating – B**
Our typical B rating makes our homes much more efficient than traditional D-rated homes.
- ✓ **Up to 400mm roof space insulation**
Warmer in winter, cooler in summer, reducing energy bills.
- ✓ **Argon gas filled double glazing**
Greater insulation and reduced heat loss.
- ✓ **Energy efficient lighting**
We use energy-saving LED lightbulbs in all our homes.
- ✓ **A-rated appliances**
Many of our kitchen appliances have a highly efficient A rating.
- ✓ **A-rated boilers**
Our condenser boilers far outperform non-condensing ones.
- ✓ **Local links**
We're located close to amenities and public transport to help reduce your travel footprint.
- ✓ **Ultra-fast broadband**
FibreNest fibre-to-the-home connectivity helps you live and work at home more flexibly.
- ✓ **Lower-carbon bricks**
Our concrete bricks typically use 28% less carbon in manufacture than clay, giving total lifetime carbon savings of 2.4 tonnes of CO₂ per house built.

All about community

Proud to be building communities

When creating Abbot Walk, not only did we create a lovely local environment for you and your family, we also contributed to the wider community.

Throughout the development process, we proactively engage with local communities and work closely with planning authorities. Abbot Walk has achieved the right balance of homes and open space and the right mix of house types for a thriving community.

We also include much-needed homes for our Housing Association partners. Our plan enhances local facilities too, providing investment in local infrastructure such as transport, education and recreation facilities, as well as initiatives to generate biodiversity.

“We’ve actively enhanced biodiversity at Abbot Walk.”

6 reasons why it pays to buy new

Did you know?

Most of the benefits of buying new are obvious, but some are not. Here's a quick summary of the key reasons why it's such a smart move:

1.

No chain

Few things are more annoying in the home buying process than a time-consuming chain you can't control. Buying new limits the chance of getting involved in one.

2.

Energy efficient

Our homes include cost-effective combi boilers, first-rate loft insulation and draught-free double glazed windows to meet stringent energy-efficient standards, keeping your energy bills as low as possible.

3.

Brand new

Absolutely everything in your new home is brand new. You get all the latest designs and tech, complete with manufacturers' warranties. Win-win.

4.

More ways to buy

We offer a range of schemes to help get you on the property ladder, including Home Change and Part Exchange.

5.

10 year warranty

All our new homes come with a ten-year, insurance-backed warranty, as well as our own two-year Persimmon warranty. In the unlikely event you ever need to claim, our Customer Care Team are there to help you.

Safe & secure

All our homes are built from fire-retardant materials and come with fitted smoke alarms and fire escape windows. They're also far more secure than older buildings thanks to the security locks and lighting we use.

And did we mention you'll have more time for dancing?

Buying new means you'll spend far less time on repairs and maintenance, after all, life's too short to spend every weekend doing DIY.
