Centrally situated within a 10.37-acre plot, this charming family home has been fully refurbished and extended in recent years. Outside, there is a triple garage with an insulated office, stable block, tack room, tractor store, orangery and a Dutch barn, which offers the potential (STPP) for conversion into a residential unit. The land is divided into three paddocks, being defined by established hedgerows and having road access.

Located in Cranhill, parish of Temple Grafton this property provides the perfect blend of rural living with ease of access to local amenities to include lovely country public houses such as the Golden Cross.

The property is situated midway between the villages of Bidford-on-Avon and Welford-on-Avon, and is within easy access of the A46, which, in turn, provides fast links to the M5, M6, M40 and M42 motorways. It lies just 5 miles from Stratford-upon-Avon, which is renowned as the region's cultural centre, being the birth and burial place of the world renowned and celebrated playwright and poet, William Shakespeare, and thus, is the home of the Royal Shakespeare Theatre. There are an excellent range of shopping and recreational facilities in the town centre, as well as at the Maybird and Rosebird Centres, together with a number of quality restaurants and public houses. The area is well served by schools to suit all age groups, including public, grammar and private schools, for both boys and girls. We have been informed that the Warwick School Foundation bus will collect children that live in the property from outside the driveway.

The property is set back from the road behind secure electric gates that open onto the stoned driveway, which provides parking for multiple vehicles, and leads to the main house.
