The property will, unless previously withdrawn, be sold subject to the Special and General Conditions of Sale, which have been settled by the Vendor's Solicitor. These conditions may be inspected during the usual office hours at the offices of the vendor's Solicitor mentioned in these

Agents Note

The guide price offers an indication of the price below which the vendor is not willing to sell. It is not necessarily the exact final sale price, and is subject to change prior to and up until the day of the auction. Any change in the guide price will reflect a change in the reserve (a figure below which the auctioneer will not be able to sell). The reserve can be expected to be set within the guide range or not more than 10% above a single figure guide. (RICS Common Auction Conditions 7th Edition).
