The well presented accommodation comprises of an entrance hall, spacious lounge, office/gym (formerly part of the garage) kitchen diner with breakfast bar seating, utility room, downstairs WC, with four bedrooms located to the first floor alongside both en-suite and family bathroom.

Upon entering the home, the centralised entrance hall separates the majority of the ground floor accommodation including the useful downstairs WC. Opposite the lounge, the kitchen diner is also accessible from the entrance hall and also stretches from front to rear, hosting an impressive fitted kitchen with breakfast bar seating and integrated appliances, with access onto the utility room which provides further sink, storage and appliance space, as well as a further door onto the garden. A further reception room can also be located to the rear of the garage, flexible in its use, however ideal for use as a home office or gym. Upstairs the first floor landing separates four bedrooms, with an en-suite shower room servicing the main bedroom, whilst the family bathroom hosts a further contemporary three-piece suite with a shower over the bath and services the remaining bedrooms.

Outside there is driveway parking for multiple vehicles and leads to the garage storage, with side gated access leading to the garden, which is enclosed and located to the side of the home, benefiting from patio, lawn, artificial lawn and shed storage.
