PORCH

3'8" x 4'11" (1.12m x 1.50m)

Step through a sturdy brown UPVC double-glazed door and find yourself in a generously sized porch, the ideal spot to hang coats, kick off muddy boots, or stash umbrellas after a long day. This welcoming entryway seamlessly leads you into the sleek, modern kitchen beyond.

KITCHEN

12'1" x 8'2" (3.68m x 2.49m)

The kitchen is outfitted with sleek soft grey shaker-style cabinets, including wall-mounted, base, and deep drawer units, each finished with polished chrome handles that catch the light. The pale wood-effect countertops create a subtle yet striking contrast against the cabinetry, adding warmth and texture to the space. There's ample room for your choice of freestanding appliances, allowing you to customize the layout to suit your needs. A generous UPVC double-glazed window floods the room with natural light, while a modern radiator ensures the space stays comfortable. The contemporary flooring pulls the whole look together, adding both style and practicality underfoot.

RECEPTION ROOM

13'9" x 11'3" (4.19m x 3.43m)

Positioned at the front of the house, the reception room offers plenty of space for a comfortable two-piece suite, along with extra seating or living room furniture. Sunlight pours in through the large UPVC double glazed window, making the room feel bright and welcoming. The neutral walls and soft carpet create a calm, versatile backdrop that suits any décor style. A wall-mounted fire adds a cozy

focal point, while the radiator ensures the room stays warm all year round. From here, you can step directly into the central hallway, connecting this inviting space to the rest of the home.

CENTRAL HALLWAY

3'5" x 2'10" (1.04m x 0.86m)

The central hallway gains access to the two spacious bedrooms and modern shower room.

BEDROOM ONE

11'11" x 8'9" (3.63m x 2.67m)

Tucked away at the back of the house, the first bedroom offers a quiet retreat with enough room for a double bed and a few larger pieces of furniture. Sunlight pours in through a generous UPVC double-glazed window, making the space feel bright and airy. The neutral-colored walls and soft carpeting create a calm, welcoming atmosphere, while a radiator ensures the room stays cozy all year round.

BEDROOM TWO

8'0" x 11'2" (2.44m x 3.40m)

The second bedroom sits quietly at the back of the house, offering a sense of privacy and calm. At the moment, it serves as a spacious walk-in wardrobe, but converting it back into a bedroom would be simple. The room is large enough for a double bed, with just enough space left over for a few storage pieces. Sliding patio doors open out to the rear garden, letting in natural light and giving easy access to the outdoors. There's a radiator to keep things cozy and soft carpeting underfoot, adding to the room's comfort.

SHOWER ROOM

4'10" x 7'9" (1.47m x 2.36m)

The shower room features a thoughtfully designed three-piece suite. At its heart is a spacious walk-in shower cubicle, enclosed by sleek glass panels and equipped with a modern thermostatic shower for precise temperature control. The hand basin sits atop built-in storage, offering both convenience and a tidy appearance, while the low-level w.c. is positioned nearby. Natural light filters in through a frosted window, ensuring privacy without sacrificing brightness. A polished chrome towel warmer adds a touch of luxury and comfort, and the walls are finished with easy-clean cladding, making maintenance effortless and keeping the space looking fresh.
