Trumpington is a thriving, fast growing part of the city that still manages to retain its village identity and sense of community. It is exceptionally well located for access into the Addenbrooke's campus, out to the M11 and into the city by car, bus, guided bus, by bicycle on one of several purpose-built cycle routes, or even an enthusiastic walk. The city's mainline station can be easily reached along the guided busway cycleway without having to mix with car traffic at all. The area has three primary schools and a brand new state-of-the-art secondary school that opened in 2016 bringing with it excellent sporting facilities including a private members' gym. A number of Private Schools are within cycling distance. There are also various restaurants, pubs, shops, a post office, hairdresser, surgery, chemist, Waitrose supermarket, Sainsbury's local and two new country parks.
