True bungalows are consistently in high demand and never more so than when located in a desirable location. We are confident, therefore, that this two bed semi-detached example will be similarly popular, situated within a quiet and highly desirable residential setting, just off Hardy Mill Road.

The well-regarded district of Harwood has a great deal to offer its inhabitants, not least an abundance of local shops and amenities which are available within the centre of the village, whilst those with a penchant for socialising will be spoilt for choice by the eclectic range of bars, public houses and eating establishments. Aside from the practicalities of the location, the accessibility to beautiful local countryside is another real highlight, perhaps in which to relax away the stresses of the day with an evening stroll with the dogs.

The property has been a lovingly cared for home, however its accommodation could now perhaps benefit from a little updating in certain areas. This does, however, provide an exciting opportunity for a new owner to infuse their own taste and style, creating a home to their individual specification.

One enters via the entrance porch and proceeds through into the reception hallway, before continuing though into the 13' living room, where one will immediately remark on the abundance of natural light afforded by the bright dual-aspect, which also aids in the creation of a warm and inviting ambience. The kitchen is fitted with a range of modern Oak-effect wall and base units with contrasting laminated work surfaces and incorporates an electric oven and halogen hob, whilst there is space for one's other free-standing appliances.

The 13' primary bedroom is located to the front elevation and benefits from a range of modern built-in wardrobes, whilst one may wish to utilise the 11' second bedroom, which is located to the rear of the property, as a formal dining room, enjoying a pleasant aspect over the garden via the uPVC double glazed patio doors. The accommodation is completed by a wet room-style shower room, which will be ideal for anyone suffering with mobility problems, being partially tiled and comprising of WC, wall-mounted wash hand basin and electric shower.

Externally, the front garden is mainly laid to lawn, with mature plants and shrubs to the perimeter. The rear garden is lovely and private and similarly laid to lawn, with a decked seating area providing plenty of space for al-fresco dining, perhaps enjoying a spot of late afternoon sun afforded by the bright South-Westerly aspect. Off-road parking facilities are provided on the driveway, whilst there is a detached garage providing some useful storage space.

Modern appointments include uPVC double glazing throughout and gas central heating, including the installation of a new combination boiler within the last year.

Available with the added benefit of no onward chain, we would highly recommend an internal inspection.
