A Rare Restoration Opportunity in the Heart of Finedon

Set within Finedon's Conservation Area and recognised as a *building of Townscape Merit*, this distinctive home offers a rare chance to restore and reimagine a truly unique property. Having evolved over many years, it now awaits someone with creativity and vision to return it to its former glory.

Tucked away in a central location, the property benefits from private vehicular access at the rear via Orchard Road, opening into a generous garden that leads to a substantial barn. Formerly used for garaging, this versatile space offers exciting potential — perhaps to extend the main accommodation or create a self-contained annex (subject to necessary consents).

This is far from a conventional property. Its character, history, and configuration — including an adjoining commercial building and areas of flying freehold — may present challenges for traditional mortgage lenders. As such, it is most likely to appeal to cash buyers who can appreciate the home's individuality and potential without financing constraints. Please see the floor plan identifying these matters.

Viewings are strongly recommended to fully appreciate the scale, charm, and opportunity this remarkable property presents. Buyers requiring a mortgage are advised to consult their lender or broker before arranging a viewing to confirm funding eligibility.
