## General Information

The community offers a variety of shared facilities, including resident parking, well-maintained gardens, a lounge with kitchen and adjoining cloakroom, and a guest bedroom that can be booked in advance. You can have the best of both worlds, the shared amenities are there if you wish to participate, but only if and when you want to.

Each flat is equipped with emergency pull cords in every room, connected to a central management system. Water rates are included in the service charge.

A detailed service charge schedule is available upon request. This schedule covers communal expenses and includes provision for a scheme manager. Currently, there has not been an on-site part-time scheme manager for some time.
