

86 Harbrough Road, Desborough, NN14 2QY Offers Over £300,000

Discover the charm and potential of this rarely available three-bedroom detached home, offered to the market for the first time in over 50 years. Thoughtfully extended on the ground floor, the property offers a spacious kitchen, practical lobby with utility room and ground floor toilet. Enjoy the comfort of gas-fired radiator central heating and mostly PVC double glazing, complemented by original 1930s features such as elegant leaded lights. There is a triple aspect lounge and bay windowed dining room, as well as 3 good sized bedrooms.

Set on a generous plot, the substantial rear garden includes a greenhouse and shed —perfect for gardening enthusiasts. The front garden features a driveway with off-road parking, a garage, and the potential to create even more parking space.

While the accommodation would benefit from some updating, it presents a fantastic opportunity for a new owner to add their personal touch. The roof was replaced in 2023, ensuring peace of mind for years to come. There is great potential to extend subject to planning consent.

Located in a sought-after area, this home is convenient for the town centre and within easy reach of Market Harbrough's mainline station (services to London St Pancras), Kettering, and the A14. Set back from the road behind a service road, this property offers a great opportunity and no onward chain.
