Welcome to St John's Square, a striking new development offering beautifully designed, brand-new apartments within an exclusive gated community. Set in a prime Southsea location, this landmark development blends contemporary living with character, security, and green open spaces.

Surrounded by landscaped gardens and mature trees, St John's Square offers a peaceful residential setting while remaining moments from the seafront, Southsea Common, independent shops, cafés, and the King's Theatre.

Each apartment has been thoughtfully designed with modern layouts and quality finishes, delivering light-filled interiors that balance comfort and style. The development sensitively reimagines former school buildings alongside contemporary new-build homes, creating a unique mix of period charm and modern luxury.

St John's Square is more than just a place to live — it's a community designed for modern lifestyles in one of the South Coast's most vibrant neighbourhoods.
