Description

Nestled in the charming village of Steeple Bumpstead, this delightful four-bedroom detached house on Queen Edith Drive offers a perfect blend of comfort and space for family living. Spanning an impressive 1,604 square feet, the property boasts four well-proportioned reception rooms, providing ample space for relaxation, entertainment, and family gatherings.

Constructed in 1985, this home has been thoughtfully designed to cater to modern family needs. The four spacious bedrooms ensure that everyone has their own sanctuary, while the two bathrooms add convenience for busy mornings. The layout of the house promotes a warm and inviting atmosphere, making it an ideal family home.

One of the standout features of this property is the generous parking space, accommodating multiple cars, which is a rare find in many homes. Additionally, the absence of an onward chain simplifies the
