Located in a quiet, residential turning, this unique, four bedroom, link-detached family home, set on an enviable, large corner plot, is spread over two floors and offers both flexible and spacious living accommodation.

Description

This is a truly unique and rarely available four bedroom link detached house, occupying a spacious and private plot, with reception rooms on both floors and genuinely flexible living accommodation.

The property comprises a step up to the entrance lobby with a cloakroom on the left and a door leading into a large, welcoming open-plan living/dining room on the right. The bright, dual-aspect living area overlooks the secluded garden. A separate study and a bright, modern fitted kitchen, with underfloor heating, integrated ovens and an induction hob are located on this floor too.

The property's double-length garage has power and can be accessed through an internal door at the top of the stairs, which lead down to the lower ground floor accommodation, comprising a large, carpeted basement with windows (currently being used as a comfortable living room) a utility room and four generous bedrooms. The bedrooms are served by a family bathroom and a sizeable en-suite with underfloor heating to the main bedroom. This largest bedroom also benefits from a deep, double fitted wardrobe and a delightful view of the rear garden. Another large double bedroom at the front of the property also has a fitted double wardrobe.

There are two separate exits on the lower ground floor: one to the private rear garden at the end of the hallway, which is surrounded by trees and has a large decked area and a lawn; the other external door leads out from the basement onto a small terrace with a separate self-contained annexe beyond.

The annexe is accessed separately to the main house, from the front of the property at the far side of the garage. It has its own separate lawn and patio area and comprises a shower room, a spacious kitchen and a living/bedroom with French doors leading onto the garden. Both of these main rooms benefit from large skylights.

The property is approached via a paved driveway with ample parking which leads to the double-length garage at the side.
