A photograph of a hallway with a red carpet. On the left, there is a white wall with a wooden handrail. On the right, there is a wooden door with a multi-paned window. The hallway leads to a room with white walls and a ceiling light fixture.

Constables are delighted to offer this fantastic three-bedroom detached bungalow to the market. Located at the head of a quiet cul-de-sac within walking distance of the shops in Little Neston and in the catchment area for excellent local schools, the property is deceptively spacious throughout.

The bungalow comprises an 'L'-shaped entrance hall that leads to a large through-lounge, a fitted kitchen, and a re-fitted shower room. Although there are three good-sized bedrooms, one is currently used as a dining room with access to the conservatory.

The property benefits from a gas-fired central heating system, double glazing, and uPVC soffits and gutters. Outside, there are easily managed gardens to the front and rear, and a long driveway providing off-road parking leading to an attached garage.
