### THE LOCATION

The property is located within the popular village of Southwater, that has a vibrant village centre, with a large Co-Op supermarket, a varied range of shops, an Indian restaurant, Dominoes Pizza, additional take away restaurants and two pubs - The Topsy Fox & The Lintot. The village also has two highly regarded schools, The Southwater Academy & Castlewood School, with a number of senior schools within easy driving distance, including The Weald & Tanbridge House School. The village is also a short drive from Horsham's thriving town centre, that offers a full range of large shops and independent retailers, bars, restaurants and coffee shops, an Everyman Cinema & The Capitol Theatre. The property is also set within easy walking distance of The Southwater Country Park, with a large lake, and extensive countryside walks along established, mainly level paths.

### ACCOMMODATION SUMMARY

Tenure: Freehold

This end terrace house is set within a small cul-de-sac, and has been adapted for the current owner's mobility needs, so offers wheelchair friendly alterations, that could either be utilised or adapted, depending on the new owners needs.

The ground floor features an entrance hall, that leads to a spacious living room, running the full depth of the property (that currently houses a lift, that the vendor is planning to remove & then reinstate the ceiling). There is also a ground floor bedroom, that could be used as a study, with direct access to a wet room, that is suitable for users with mobility issues. The ground floor also features a modern fitted kitchen set to the rear of the house. On the first floor there are three bedrooms, with the master bedroom featuring an en suite shower, and an additional wet room with an accessible shower, but this could be adapted to a bathroom, if required.

### GARDEN & PARKING

To the front of the property there is a designated area of parking for the vendor with space for 1-2 vehicles. To the rear of the house there is an area of raised paved patio that leads to an area of lawn, with a pathway, area of lawn and flower and shrub borders. The garden is enclosed to all sides, by fencing, with gated side access and offers a good level of privacy. For clarity, the garden currently has a ramp installed to allow access for the current owner, although this can be removed prior to completion if it is not required by a new owner.
