The following report provides planning applications based on a 250m radius from the subject property above. Records are searched going back 10 years from the date the report is produced.

Local Authorities don't all adopt the same methodologies and it may be that some planning applications identified as refused may have subsequently been granted on appeal without appearing as such within this report. Further enquiries should be made directly with the Local Authority should the report be used in conjunction with the purchase of the property, particularly refusals that may affect the decision to proceed.

In addition the location of applications relates to a point within or close to the development, and does not represent the nearest border.
