Freehold / House - Semi-Detached

Regina Road, W13 9EF

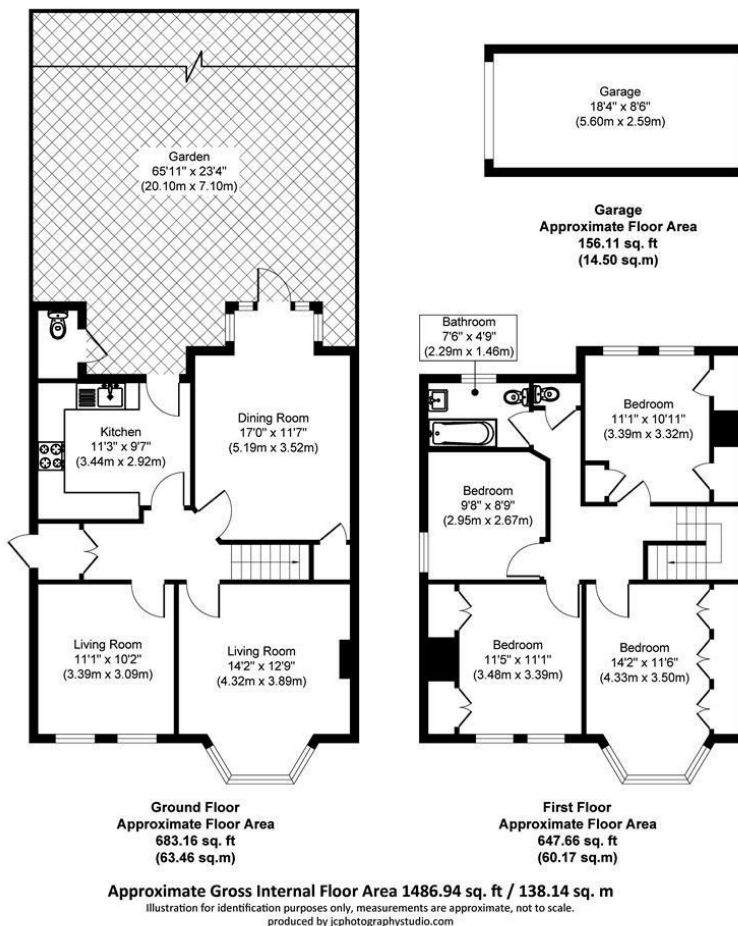

£1,200,000

Rarely available to the market, this impressive Edwardian corner house offers excellent accommodation including 3 reception rooms, fitted kitchen, 4 bedrooms, modern bathroom and additional W.C. plus good-sized loft storage. Outside there is an excellent sized, walled rear garden (landscaped for low maintenance) with ample gated off-road parking, through to a versatile brick-built garage (potential work from home space/annex). Offering an abundance of attractive original character features including some grand original fireplaces (including a cosy working fireplace), high-corniced ceilings, mosaic floor tiles and wood panelled walls in the family sitting room. Well maintained, boasting a recovered roof (2012), sympathetically styled double glazed sash windows and GCH (combi boiler). Superbly presented throughout, with wood floors and fitted carpets upstairs. Offering much potential for extension or development, (especially to the rear and in our opinion, for double storey) and presented with no onward chain for a hassle-free move (completion preferred December 2024.)

Situated in the peaceful yet ultra-convenient location, occupying a bold position on the corner of Regina Rd and St. James Ave, a short stroll to West Ealing Broadway with various shops (including both Sainsbury's and Waitrose food-stores) and regular, speedy bus services into Ealing Town centre. Northfield's Avenue is also within easy walking distance, with its shops, cafe' bars, restaurants and Piccadilly Line tube Station as is West Ealing Mainline Station for the excellent Elizabeth Line offering speedy access to The City and Heathrow.
