Property description

The solid wooden front door with canopy porch opens into the entrance hall where you are immediately greeted by character and charm synonymous with Border Oak houses. The entrance hall provides access to the primary rooms, the stair case to the first floor, useful under stairs cupboard and space for furniture.

There are exposed oak timbers which flow through the whole of the property and flagstone flooring throughout the ground floor. To the left is the living room with triple aspect windows including French doors which open to the rear allowing natural light to flood the room. There is a brick fireplace with oak hearth and inset wood-burning stove which creates a cosy focal point. An opening leads to a seating area which would also make an ideal study or home office, again with French doors opening to the rear which has views of the garden and countryside beyond. This room flows into the kitchen dining room. The kitchen has been fitted with neutral base units with a marble worktop and an island with wooden worktop. There is a cupboard for crockery, double ceramic sink with a window above to the front and space for a range cooker. The dining area provides space for a large dining table and chairs, windows to two aspects with French doors opening onto the patio. An oak door opens into the utility room where there is a space for a washing machine, tumble dryer and fridge freezer. There are base units and a ceramic sink with a window above overlooking the side and a door exiting to the rear garden. This is a great way to enter the property after a good walk with plenty of space for coats, shoes and a dog

bed. There is access to the cloak room which is fitted with a wc and basin and a cupboard which houses the boiler. In addition there is a pantry.

Taking the staircase to the first floor landing, there is a seating area which opens to have storage and two cupboards to each side.

Bedroom one is a good double with dual aspect windows to the front and rear and benefitting from an en-suite shower room with wc, basin and walk in shower cubicle. Bedroom two is also a double with a window to the rear over looking the garden with views beyond and velux, which floods the room with light, vaulted ceiling and a dressing area which has built in wardrobes.

Bedroom three is a double with a window to the front and built in wardrobe. The family bathroom is fitted with a four piece suite to include a wc, basin, bath and walk in shower. There is a chrome towel rail and velux window.

Garage and parking

To the front of the property is a decorative stone area suitable for parking several cars. The garage is a double and benefits from light and power.

Garden

There is access to the rear garden from both sides of the property through a gate and the garden is mainly laid to lawn and enjoys views of the Herefordshire countryside. There are various interspersed trees, flowers and shrubs. The garden has been upgraded significantly by the current owners with a path leading to a new patio area at the bottom of the rear garden flanked by flower beds.
