## Introduction

Pear Tree Orchard is a wonderful development of 8 brand new house built in the grounds of the fabulous Grade II listed farmhouse that gives the development its name. Originally owned by the Harley Estate and steeped in history and intrigue with the whole area bejeweled with numerous "black & white" properties, ruined castles and amazing scenery. Plot 3 is The Comice, named after "The Best Pear in the World" which is also known as "The Queen of Pears" and like its name sake this property is prized for its taste! Conceived from a well loved blue print that provides spacious accommodation which has not tried to cram in lots of small rooms but makes each room special. From the stunning open plan kitchen/dining family room with cathedral-esque glazed family area over looking the garden and hills beyond to the large dual aspect living room with statement fireplace; both rooms allow its occupants to move around easily. Also on the ground floor is the spacious entrance hall, utility room and cloakroom. On the upper floor is a large master bedroom with ensuite and two further excellent bedrooms and bathroom.

## The build specification

A traditional block cavity construction finished with part render & part timber boarding that gives a sympathetic nod to the historic buildings of the area yet with the most energy efficient insulation that will make this property lovely, cosy and warm without breaking the bank! With energy efficiency in mind the property comes complete with an air source heat pump providing the property with underfloor zonal heating in both the ground and first floor rooms; low energy lighting with down lighting in the kitchen, hallway & landing. There is a ten year LABC structural warranty supplied as well as a 12 month builders warranty for any snagging problems. Built with confidence, bought with peace of mind.

Internally the property will be painted in white matt throughout and has a stunning oak staircase and doors throughout. All door handles & sockets to be finished in brushed chrome as standard and the property will come with a choice of flooring throughout to include Karndean and carpets but upgrades are available subject to agreement.

Externally the gardens will come with paved patios and pathways as well as fully lawned garden and finished subject to the approved landscaping plan which includes native hedge planting & post & rail fencing.

## Those finishing touches

The developer has purposely left the choice of the all important kitchen, utility, bathrooms and WC to the purchaser. To truly make this property your own he will provide an agreed sum for you to spend on the fittings of your choice, whether this be a hand built bespoke kitchen in pink with matching work tops or a roll top bath with gold taps the choice on what and how you spend this budget is down to you (within reason) and will make this property far more about you than being too generic.

## The development

Pear Tree Orchard is a development of 8 new homes and the original farmhouse with a selection of 3 & 4 bedroom detached houses and a pair of 2 bedroom barn style cottages.
