This is a great opportunity! Barrain London is pleased to introduce this 3 bedroom terrace house in great condition less than 10 minutes walk to the Elizabeth Line at Custom House station. Very spacious accommodation and with a large garden – great for football, BBQs, kids and family gatherings. Families with school aged children will appreciate the excellent local schools including outstanding Brampton Manor Academy and St Joachim's Catholic Primary School.

In your new home, you'll be close to the Docklands, where you can enjoy scenic walks along the waterfront and visit the diverse range of restaurants, cafes, and shops in Western Gateway. LIDL, Morrisons and ASDA superstores are a short drive. Custom House DLR & Elizabeth Line connections place much of London within less than a 30 minutes train ride, from Westfield Stratford shopping, to your workplace in the City, to the excitement of Canary Wharf, to the red carpets of West End theatres. Even Heathrow is a fast track!

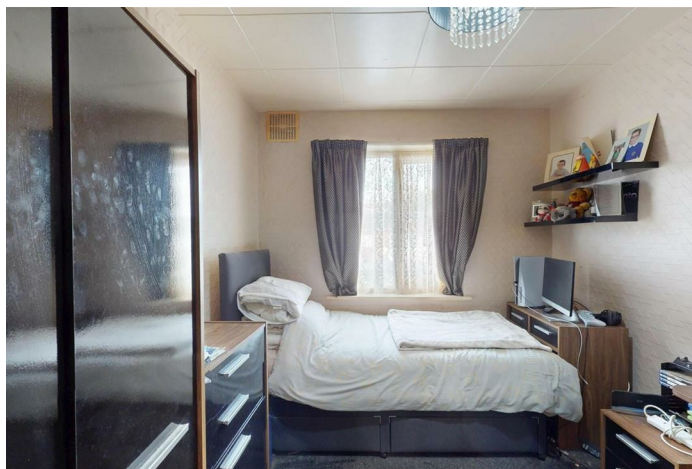

Nestled on a quiet residential street so close to the station, this home has a location that will appeal to families with children, commuting professionals, or buy to let investors. And it is very extendable, for those that want to increase the size of the house as the size of family increases.
