The ground floor welcomes you with a bright and spacious hallway, leading to a stylish reception room featuring a bay window that floods the space with natural light. A generous dining area seamlessly connects to the beautifully crafted Ashford shaker-style kitchen, designed with bespoke detailing, complete with a large island, integrated appliances, ample worktop space, and built-in storage. Expansive bi-fold doors in both the dining area and kitchen open onto the garden patio, creating a perfect indoor-outdoor flow. For added practicality, the home includes a large utility room and a downstairs cloakroom. Underfloor heating runs throughout the entire ground floor.

Upstairs, the first floor offers a spacious landing, a modern family bathroom, and a luxurious principal bedroom complete with an en-suite. Two additional double bedrooms are provided, including one with the added benefit of an en-suite. The second floor presents a professional study area and a further double bedroom, featuring its own dressing area and en-suite.

This expansive plot boasts a beautifully landscaped rear garden with a neatly manicured lawn and a paved patio, while the front features a spacious block-paved driveway providing off-street parking.
