The utility also benefits from underfloor heating, offering both practicality and comfort.

The heart of the home lies in the stunning open-plan kitchen/dining/living space, which spans over 29 feet in length. Bathed in natural light from multiple aspects, this expansive space has been completely refurbished throughout and features premium appliances, an Everhot cooker, sleek cabinetry, a central island, and underfloor heating. Full-width bi-folding doors open seamlessly onto the rear patio, creating effortless indoor-outdoor living. Adjoining this space, elegant sliding double doors lead to a generous living room. For added comfort and entertainment, the ground floor also features a stylish cinema room.

The first floor continues to impress, featuring four well-proportioned double bedrooms and three stylish bathrooms. The principal bedroom suite measures an impressive 21'4 by 13'6 and includes built-in wardrobes, generous additional storage, and a sleek en-suite shower room. Bedroom two also benefits from its own en-suite shower room. Bedrooms three and four are both excellent doubles, served by a family bathroom featuring a freestanding tub and separate walk-in shower.

Externally, the property benefits from an integral garage and driveway parking. To the rear, you'll find a truly beautiful landscaped garden framed by mature hedging and flowering trees.
