

Jubilee Gardens Banwell, North Somerset

A mix of 2, 3 and 4 bedroom homes in a well-planned, low density development by **Strongvox** an award winning West Country developer that considers the surroundings and local heritage and promotes comfortable, considered community living.

Celebrating country living

Welcome to Jubilee Gardens

Jubilee Gardens in the historic village of Banwell, Somerset at the foot of the Mendip Hills is our latest beautifully thought out Strongvox development.

Founded in 2004, we've worked hard to create our reputation for delivering exceptional, beautifully designed homes in wonderful West Country locations. We build an average of 200 homes a year, which means we can keep an eye on the detail for every house we build (across just over 40 sites to date) – and that's important to us. Considerate of local architecture and design influences, our sites are sympathetic to their surroundings with every house displaying individuality. We pay great attention to detail and our appreciation of traditional design and materials echoes throughout our new homes, setting us apart from bigger developers. We don't just build the same houses everywhere.

“We are very excited to be building such an elegant development in Banwell – one of Somerset's most popular village locations. The design and specification of our homes are perfectly suited to the area.”

The Key to Fine Living

At Strongvox Homes, we are building a reputation for our beautifully crafted West Country homes. With scrupulous attention to detail – from site planning and individual house design, through to quality craftsmanship and superior finished décor – our houses are places you’ll be proud to call home.

We are a small and highly experienced team who take pride in constructing beautifully designed homes that we each know personally. Founded in Taunton in 2004, we have created just over 30 developments to date and we build about 200 new homes each year. We are small enough to keep our eyes on every aspect of our work and local enough to know and understand each of the communities in which we build. From conception to completion, our approach sets us apart:

Every Strongvox Homes development is sympathetic to its surroundings and considerate to the local architecture and the community.

Every Strongvox home displays individuality in its styling and is constructed using carefully selected naturally weathering materials. You’ll love our variety of exterior finishes that make our homes different and set them apart.

Inside every Strongvox home, to make your buying decision more straightforward, you’ll discover a whole range of features which, unlike the bigger developers, we include as standard: superior fully fitted kitchens with soft close doors and appliances, recessed ceiling down lights, upmarket cottage style doors, high quality bathroom furniture and brassware, chrome heated towel rails, to name but a few. We include grassed and hard landscaped rear garden and quality fencing.

In short, we provide you with a beautiful home whilst making the whole buying process as simple as possible, plus we’ve various incentives including **Part Exchange** and **Assisted Move** to make buying a Strongvox home even easier.

Three further incentives to choose to make buying a Strongvox home easier:

Strongvox Part Exchange

If you’ve seen your perfect home but haven’t sold your existing property, **Part Exchange** could allow you to reserve and secure it, with no Estate Agent fees to pay and we’ll buy your current house so you can get moving.*

Strongvox Assisted Move

Let us do the work! With **Assisted Move** we take away the pressures of moving home. We’ll help you choose a new home that’s right for you and then we handle all aspects of selling your current home.*

*Subject to terms and conditions

Home Builders Federation

Strongvox are proud to be members of the **Home Builders Federation**, the representative body of the house building industry in England and Wales. The HBF member firms account for 80% of all new homes built in England and Wales every year.

“Having recently purchased my new property at Paddons Farm, Stogursey, I can highly recommend Strongvox Homes. The home itself is of high quality, well designed and the layout has been very well considered to maximise available space. At every stage, from initial enquiry to completion and beyond all Strongvox members of staff have been extremely professional, courteous and helpful. This level of service didn’t come as a surprise though as I had bought a new home from Strongvox some ten years ago. It’s great to see that Strongvox’s commitment to excellent customer service has remained so high after all these years.”
