# INTRODUCING MULBERRY HOMES

PRIVATELY OWNED WITH A FAMILY FEEL,  
WE UNDERSTAND THE MEANING OF HOME.  
WE ARE EXPERIENCED PEOPLE WHO LOVE WHAT  
WE DO: BUILDING NEW HOMES THAT GIVE PEOPLE  
THE TIME AND SPACE TO LIVE LIFE MAGNIFICENTLY.

We began designing and building luxury homes in sought-after locations across the Midlands in 2011. Since then, we've expanded our reach to encompass hand-picked locations in the South East and East of England regions, too.

We know that the homes we build will be the most important spaces in our customers' lives. That's why we take a proactive approach, carefully considering every component – from locations and materials to external designs and internal specifications and, of course, the sales, purchase and aftercare experiences – so you receive the best result and service possible from people who know what they're doing and what they're talking about.

For the last six years, we have been awarded gold by customer satisfaction experts In-house Research, with over 90% of our customers saying they would recommend us.

\*Customer satisfaction score of 98.6% as of February 2024

# MULBERRY HOMES AT WHISSENDINE

MULBERRY HOMES AT WHISSENDINE BRINGS AN EXCLUSIVE COLLECTION OF JUST 51 TWO-, THREE-, FOUR- AND FIVE-BEDROOM HOMES TO THE OPEN MARKET, INCLUDING FIVE FIRST HOMES.

Settled among the gently rolling hills and valleys of Rutland, England's smallest rural county, the village of Whissendine offers the best of country living coupled with easy access to excellent amenities and transport links. It lies within easy reach of Oakham, Uppingham and Stamford, three picturesque and upmarket small towns.

### Traditionally designed and built homes that sit timelessly in the landscape

The development sits to the west of the village of Whissendine, amongst grazing pasture and arable fields. The considered architecture features a variety of materials – used in various combinations of red clay brick, ironstone\* and ivory render – to reflect the eclectic yet harmonious assortment of properties in the village.

The collection of 12 different house types and varied use of materials ensures every home on the development feels unique while complementing its immediate neighbours as well as the village's more established properties.

### Lasting Legacy

Each home style is designed for modern living, offering generously proportioned interiors that can adapt to your lifestyle.

Rooms are flooded with natural light from the plentiful windows. Open plan layouts create a sense of spaciousness while even the more traditional layouts feel light, bright and airy. However you like to live, there will be a Mulberry home to suit your lifestyle.

• Reconstituted bekstone

WE'VE GIVEN EQUAL CONSIDERATION TO THE LANDSCAPING AND GREEN SPACES, SO YOUR HOME FEELS PRIVATE YET CONNECTED, AND WITH SPACE TO BREATHE AND PLAY.

### Space to breathe

The scenic approach to Mulberry Homes at Whissendine sets the tone for the development.

Great care has been given to protecting and retaining the eight-acre site's existing green spaces. We've made some considered enhancements with the planting of a variety of native species of trees, hedgerows and grasses. As well as providing a leafy outlook for residents, it ensures local flora and fauna have the habitat they need to thrive alongside their new neighbours.

Located to the north of the site, you'll find an attenuation pond designed to capture surface water that also provides an important resource for birds and wildlife.

Compared with many new developments, you'll find more space here at Whissendine. That's because it's a low-density development, meaning homes sit on more generous plot sizes.

### Space to play

The green space continues with a dedicated play area for children in the centre of the development. Set in grassland, this generous open space also provides an ideal route for a morning dog walk or a leisurely stroll and sit down on one of the benches.

IF YOU LOVE THOUGHTFUL DESIGN, QUALITY THAT IS SECOND TO NONE, AND A LOCATION THAT HAS BEEN CHOSEN WITH CARE, YOU'LL LOVE YOUR NEW MULBERRY HOME AT WHISSENDINE.

# LET’S HELP YOU MOVE

OUR SCHEMES AND INCENTIVES HAVE BEEN DESIGNED TO MAKE YOUR MOVE EASIER.

**Assisted move**

Have a property to sell but don’t want to miss out on your preferred plot? After carrying out three valuations of the property you’re selling, we will take your chosen Mulberry home off the market for up to four weeks while you secure a purchaser.

**Part exchange**

Take the hassle out of selling your house. We’ll value your property, make you an offer, and put the value of your property towards your new Mulberry home. No chain. No estate agent fees. No hassle.

**Key workers scheme**

An incentive exclusively for those whose services we can’t live without: teachers, health workers, emergency services, armed forces personnel, and others. Receive a cash contribution of up to a £500 for every £25,000 spent towards a new Mulberry home.

**Sale & Leaseback**

Fallen in love with our show home? Our Sales & Leaseback scheme means you can buy it – including contents – and we’ll lease it from you for an agreed period of time.

ASK YOUR SALES ADVISOR FOR FULL DETAILS AND TERMS AND CONDITIONS.
