WELCOME HOME

A lot may have changed since the day that John Bloor built the first Bloor home in 1969, but one thing has remained the same. Our dedication to providing beautifully crafted homes in fantastic locations, so you and your family can enjoy life to the fullest.

We're still owned by the Bloor family and today, that same dedication is clearly present throughout our careful consideration of the development layout and each home we've chosen to build here at Holly Grange.

We understand that buying a new home is a big commitment so we want your Bloor home here in Warrington to be ready to accompany you throughout your life - no questions asked. That's why it's important each one of our homes appreciates your need for space and growth.

Plus, when you reserve your new Bloor home in the early stages of construction, you can have the freedom to choose your internal fixtures and fittings for your kitchen, bathroom and en suite facilities. Our comprehensive 'Your Choice' brochure can help with choosing those extra details for your new home, should you wish you upgrade from our chosen specification here at Holly Grange.
