Gray's Residential is delighted to present this beautifully renovated three-bedroom, three-shower-room split-level flat, set on the ground floor of a charming period building. Perfectly positioned for excellent transport links, with Clapham North and Stockwell Underground stations just a short walk away, this property effortlessly blends modern living with classic period character.

This property boasts a bright and spacious layout, including three generously sized bedrooms, three contemporary shower rooms, and a large open-plan living and dining area flooded with natural light. The fully fitted modern kitchen is perfect for entertaining, while the private patio garden offers a tranquil outdoor retreat in the heart of London. Additional benefits include easy access to local amenities and superb transport connections, making this an ideal home for professionals seeking a stylish, fully furnished ground floor garden flat in Clapham North or Stockwell.

Offered fully furnished and available immediately.
