A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Living in
Kenilworth

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Southcrest Rise.

Around 25 minutes' walk from the lively, traditional town centre of Kenilworth and ten minutes' drive from Coventry, Southcrest Rise is a superb base for travel throughout the Midlands. Birmingham Airport and the National Exhibition Centre are both approximately 25 minutes away by road, significantly less time than it takes from the centre of Birmingham, and the M25 London Orbital Motorway can be reached in around 80 minutes. Buses between Warwick and Coventry via Kenilworth town centre and Leamington Spa stop a few yards from Southcrest Rise, and Kenilworth has direct train links with Nuneaton, Coventry and Leamington Spa.

A few minutes walk from the development, beside a family-friendly, traditional pub and beer garden, there is a local shopping precinct with a Tesco Express, a pharmacy, a family-run bakery and a pizza takeaway. Several other convenience stores can be found within a 20 minute walk. The local traders, high street names, hairdressers and other specialist services of Kenilworth town centre are interspersed with restaurants, takeaways and pubs, and a weekly open-air market selling fresh local produce is held on Thursdays.

Welcome home

Beautifully situated beside Kenilworth Golf Club on the eastern edge of the town, sheltered by trees and hedgerows, this attractively landscaped selection of energy efficient one, two, three, four and five bedroom homes brings a prestigious new neighbourhood into a historic town. Combining an exceptionally strategic location with excellent local schools and amenities, the development is less than two miles from the A46 and just 40 minutes' drive from Birmingham. Welcome to Southcrest Rise...

The Miller Difference

your home
your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

In addition to the cinemas, theatres and live entertainment venues in Coventry and Leamington Spa, Kenilworth has a community-run theatre, the Priory Theatre. The University of Warwick welcomes the local community to many of its facilities, including a cinema and an arts centre presenting a programme of live concerts. The University campus, three miles away, also has many beautiful walks and a sculpture trail. The countryside around Kenilworth is peppered with nature reserves and historic attractions, and Kenilworth itself has many delightful parks and open spaces including the Common, a few minutes walk from Southcrest Rise. Abbey Fields, near the town centre, includes a lake, playgrounds and a swimming pool which is currently undergoing a multi-million pound refurbishment. The magnificent Kenilworth Castle and Elizabethan Garden, a backdrop to many special events throughout the year, lies just to the west of Abbey Fields.

Southcrest Rise is in the priority areas for Thorns Community Infant School and Park Hill Junior School, both within walking distance and both assessed as Good by Ofsted. Kenilworth Secondary School and Sixth Form, rated Outstanding across all areas in its most recent Ofsted assessment, is moving in 2023 to a new site adjacent to the development. For health care, there are two large medical practices and a choice of dentists and opticians in the town centre.

The homes we build are the foundations of sustainable communities that will flourish for generations to come. We work in harmony with the natural environment, protecting and preserving it wherever we can. With our customers, colleagues and partners, we strive to promote better practices and ways of living. We're playing our part in making the world A Better Place.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
