

## Belcot Farm, Smallhythe Road

Tenterden TN30 7LT

A striking five-bedroom farmhouse built 35 years ago. Sympathetic use of original reclaimed materials including leaded light windows, exposed beams and open fires/wood burners creates an authentic character and charm throughout. The property is situated down a private track less than a mile from Tenterden and a short walk to the High Street via a pathway from the house. Belcot Farm sits on approximately one acre of well-maintained grounds and includes a detached brick-built store, a large pond and has beautiful views over open countryside. An additional field of approximately four acres, adjacent to the house, may be available by separate negotiation.
